

# GROW BETTER, WITH MANAGED LOCALISATION RECRUITMENT

Here's how we can empower better growth in your localisation company.

## STEP 1

Contact us to discuss the open roles in your organisation.

## STEP 2

Agree on the job specifications and remuneration packages for your open roles, along with the interview process and the timeframe for hiring.

## STEP 3

We headhunt on your behalf, using our extensive database and candidate lists. Every potential candidate is thoroughly screened, interviewed, shortlisted, and then presented to you for consideration.

## STEP 4

The interview process is then undertaken by your company's HR department

## STEP 5

The job offer and all negotiations are handled by us with your chosen candidate.

## NO FIT, NO FEE!

*You don't pay any fees until the right fit is found.*

We work hard to bring you the best candidates for the role and we don't charge you a penny until we do.
